Professor J. Owen Lewis, Director, UCD Energy Research Group

J Owen Lewis was responsible for Building Technology in the School of Architecture in University College Dublin for many years, and is director of the UCD Energy Research Group. Qualified as an architect and a building services engineer, he has practised in Ireland, England and Zambia and has taught also in Jordan, the USA, China and Germany. He has co-ordinated a number of European Commission energy research and dissemination activities and has lectured in most EU Member States. He was Dean of the Faculty of Engineering and Architecture UCD September 2001 to May 2005, and then Principal of the College of Engineering, Mathematics and Physical Sciences and Vice President UCD until July 2006.
