**Dorte Vigsoe, Team Leader and Chief Consultant,
Fund for Green Business Development, Danish Business Authority, Denmark**

Dorte Vigsoe is team leader and chief consultant at the Fund for Green Business Development at the Danish Business Authority. The Fund aims to enhance businesses' competitiveness and growth, as well as catalyze environmental improvements. The fund promotes eco-efficiency in Danish firms by giving grants to selected firms.

The Fund invests in projects related to six themes:

- Development of new business-models
- Product-innovation and re-design of products
- Reinforcement of sustainable materials in design of products
- Sustainable transition in textile-manufacturing and the fashion industry
- Less food-waist
- Sustainable bio-based products based on non-food biomass

The Fund also runs an acceleration programme on green business model innovation; a national task force for promoting Industrial Symbiosis; and a Center for Green Entrepreneurs. The Fund for Green Business Development ("Grøn Omstillingsfond") holds approx. 19 million Euros in 2013-2016. See www.groenomstilling.dk for more information (in Danish).

Dorte holds a MSc. in Economics from The University of Copenhagen and a MSc. in Environmental Economics from The University of York. She has a background in the Ministry of Economics and Business; the private sector; consultancy; and a green political think tank.
