

Vic Clements, Consultant, UK

Vic Clements is an experienced and practicing Environmental and Regulatory Compliance consultant and has worked for over ten years in the field of environmental management and law (in which he holds an MSc degree), specialising in the WEEE, RoHS and EuP Directives and the increasingly important field of Environmentally Conscious Design (Eco Design).

Prior to this Vic had over thirty years experience as an engineer, consultant and businessman, in the EMC and Wireless regulatory compliance arena, as a notified and competent body assessor with the EMC, LVD, MSD, R&TTE and Medical Devices directives and can bring this wide regulatory, industrial and business experience in support of his environmental expertise.

He is a Chartered Environmentalist and Member of the Institute of Environmental Management and Assessment as well as a Chartered Electrical Engineer and Member of the IET. He is also a Fellow of the Institute of Sales and Marketing Management and a Fellow of the Royal Society for the Arts, Manufactures and Commerce. Vic is an experienced presenter and trainer. He has presented papers and seminars and run training courses in UK, Germany, USA, Canada, Japan, Thailand, Singapore, Hong Kong and China on subjects ranging from Wireless Network Technology, through CE Marking to environmental legislation (WEEE/RoHS) and Eco design.
