Remakery is here

Based in the heart of a residential area at the base of a block of flats

Brixton Tube

The image shows a detailed architectural floor plan of a workshop area. The plan is divided into several rectangular sections, some of which are shaded with a blue grid pattern. A prominent red line runs across the middle of the plan, with the text "ZONE B - INDIVIDUAL AND SHARED WORKSHOP AREA - SEE PLAN ABOVE" written along it. Below this line, there are several numbered circles (4, 5, 6, 7) and the number "5875" repeated. In the upper right, there are more numbered circles (29, 30, 31) and a small square symbol. A large, bold, white text overlay with a black outline reads "1,000 square meters of space".

A group of people are gathered in a workshop or studio. In the foreground, several people are seated around a table, focused on their work, with papers and water bottles on the table. In the background, a woman in a green sweater stands near a large window, looking towards the camera. The room has a modern, industrial feel with exposed pipes and a wall decorated with colorful geometric patterns.
