

**Dr Niven Huang, Secretary General, BCSD, Taiwan**

Dr. Niven Huang is the Secretary General of the Business Council for Sustainable Development in Taiwan (BCSD-Taiwan) since May of 1997. He is the pioneer in Taiwan in the fields of corporate social responsibility (CSR), sustainability report, responsible investment, green purchasing alliance, greenhouse gas (GHG) inventory and strategy for carbon management. He is invited to give more than 100 lectures on sustainability every year in domestic and international events. He is the Chairman of the 2012/2013 Advisory Board of ASrIA (The Association of Sustainable and Responsible Investment in Asia) which is based in Hong Kong.

Dr Niven Huang is specialized in waste management. He worked for Super Max Engineering Corp. for five years during 1992-1997. Before working for Super Max, Dr. Huang worked for YFY paper company as a consultant because of his specialized technical background in fluidization combustion technology.

Dr. Huang received the Ph.D. degree of Chemical Engineering from Chung Yuan Christian University (CYCU). Currently, he is the part time associate professor of four universities in Taiwan, including the most leading advanced MBA and EMBA at National Cheng Chi University. What he is teaching include CSR and corporate sustainability. He sits in the judge panels of several public and private Awards of CSR, Excellence in Environment, and Sustainability in Taiwan and Asia. Dr Huang now is the senior consultant of CSR and corporate sustainability to several big Taiwanese companies in industries of IT and retailer chain store.
