Mark Bradbury, Managing Director, Vertical Thinking Limited, UK

Founder and Managing Director of Low Carbon Regeneration, Development and Economic Development Consultancy, Vertical Thinking Limited, Mark is a highly connected and effective networker with over 25 years development management, economic development, urban development and regeneration experience at a senior level in both the public private and public sectors.

Mark's former employers include The Greater London Authority, London Thames Gateway Development Corporation, Medway Renaissance, Ashford's Future, Gazeley Properties, Safeway Stores and BAA McArthurGlen where he has delivered a wide range of complex, innovative and award winning development and regeneration projects.

Mark is an acknowledged thought leader on Sustainability and the Green Economy and has sat on a number of boards and panels at organisations including the Institute for Sustainability, London First, The Academy of Urbanism and the Committee on Climate Change. Mark developed the business model for and directed the delivery of the Mayor of London's London Sustainable Industries Park and is currently advising a number of local authorities as well as private sector clients including Climate Change Capital and Climate Energy Homes

Mark is a Member of the Royal Institution of Chartered Surveyors and the Institute of Enterprise & Entrepreneurs and has been elected an Academician at the Academy of Urbanism.
