**Professor Robin Roy, Emeritus Professor of Design and Environment,  
The Open University, UK**

Robin Roy is Emeritus Professor of Design and Environment, The Open University. Since joining the OU in 1971 as one of the first Design lecturers, he has contributed to many OU courses on design, energy, environment and buildings, most recently *Design Essentials*; *Innovation: Designing for change*; and *Environment: Journeys through a changing world*. In 1979 he founded the Design Innovation Group to research innovation management and sustainable design. He has numerous publications on design, innovation, energy and environment. He is a Fellow and Council member of the Design Research Society, a former Director of Carbon Connections Ltd. and a Trustee of Powerful Information, a local international development charity.
