21st International Conference
7th – 8th November 2016
University for the Creative Arts
Epsom, Surrey, UK
www.cfsd.org.uk

Riz Smith, Co-Founder, Riz, UK

Riz Smith is a London based designer and conservationist at heart. Having designed swim and beachwear for various global brands, he became acutely aware of the need for something better. With this in mind he set out to build a small, honest brand shaped around the aspiration of creating 'The most beautiful and sustainable men's swimwear in the world'.
