**Christine Goulay, Head of Sustainable Innovation,
Kering, France**

As Head of Sustainable Innovation at Kering, Christine focuses on identifying and supporting innovations that can fast track a transition to a sustainable and circular apparel industry. Prior to this role, Christine worked on Kering's sustainable sourcing strategy. Before Kering, she worked in INSEAD's Entrepreneurship Centre, focusing on incorporating impact into traditional business models. She has start-up experience managing the socially conscious apparel brand, Edun Live (founded by Ali Hewson and Bono) and also practiced corporate law in the venture capital and private equity sectors. Christine attended Harvard University, has a JD from Boston College Law School, and holds an MBA from INSEAD.
