**Carys Taylor, Director - albert, BAFTA, UK**

Carys is responsible for the overall delivery of albert’s aims and objectives. Having grown up in the natural beauty of North Wales, she has always been a keen environmentalist and as a teenager, found inspiration on screen to pursue a career where she could contribute to the big issues of our time. Her previous roles in Parliament, BBC Studios, the Creative Industries Council and National Grid have since reinforced the importance of the screen industries collaborating to tackle climate change.
