20th – 26th March 2023
University for the Creative Arts
Epsom, Surrey, UK

**Dr Patrick Schröder, Senior Research Fellow,
Environment & Society Programme, Chatham House, UK**

Patrick Schröder is a senior research fellow in the Environment and Society Programme at Chatham House where leads the circular economy research. The focus is the global transition to an inclusive circular economy. contributions to the Sustainable Development Goals, and the role of policy frameworks, financing the circular economy and global trade. He holds a PhD in Environment Studies from Victoria University of Wellington, New Zealand. He started a new PhD research project at UCA in 2021 on the topic of circular design for electronics. The research aims to analyse and understand the role of policy frameworks such as the EU's Sustainable Product Initiative in shaping electronic product design practices.
