**Moin Roberts-Islam, Technology Development Manager,  
Fashion Innovation Agency - London College of Fashion, UAL, UK**

Moin is a fashion-tech innovator with a strong history of working on collaborative projects across fashion and emerging technology. As the Technology Development Manager at the Fashion Innovation Agency, Moin has worked on large-scale digital fashion projects with Microsoft, The Fabricant, ILMxLab, Verizon Media and PANGAIA in recent years. His expertise is in formulating ideas for fashion-technology projects, developing the technology involved and overseeing the projects to completion.
