

**Sustainable Innovation 2023**  
***Accelerating Sustainability in the Creative Economy and Creative Industries***  
Online: 24<sup>th</sup> International Conference  
20<sup>th</sup> – 26<sup>th</sup> March 2023  
University for the Creative Arts  
Epsom, Surrey, UK

**Frédéric Degouzon, Director of Strategy and Research,  
L'École de design Nantes Atlantique, France**

Frédéric Degouzon is the Director of Strategy and Research at L'École de design Nantes Atlantique, one of the major design education institutions in France. With a background in fine arts and digital design, he founded the Interaction Design Department at L'École de design Nantes Atlantique in 2000 and has been since involved in numerous development projects regarding the school and the promotion of design at local and international level.

He founded the Digital Culture working group in 2008 under the umbrella of the Cumulus association, the largest association of institutions in arts, design and media education, and is also the co-founder of the Interaction Design Association local chapter in Nantes (France).
