

Sustainable Innovation 2023
Accelerating Sustainability in the Creative Economy and Creative Industries
Online: 24th International Conference
20th – 26th March 2023
University for the Creative Arts
Epsom, Surrey, UK

**Claudine Bettendroffer, Country Leader,
Silversquare, Luxembourg**

After consulting innovative start-ups for several years, Claudine opened Silversquare for the coworking chain in Luxembourg and cocreated and presides the Luxembourg Workspace Association regrouping incubators, coworking spaces and business centres of Luxembourg. As such supporting entrepreneurship across all different sectors and building strong communities is part of her DNA.
