

Sustainable Innovation 2025
Sustainable Innovation in Products, Services and Business Models
Past, Present and
25th International Conference
October 2025

**Dr Niven Huang, Managing Director,
KPMG Sustainability Consulting Co. Ltd, Taiwan**

Dr. Niven Huang is the Managing Director of KPMG Sustainability Consulting Co., Ltd., in Taiwan since July of 2013. He was Head of ESG, KPMG Asia Pacific, during 2021-2023.

He was the Chairman of the 2012-2015 Advisory Board of ASrIA (The Association of Sustainable and Responsible Investment in Asia) which was based in Hong Kong and combined forces with the PRI in October of 2015. Dr. Huang is a pioneer in Taiwan and Asia for promoting CSR, sustainability reporting, responsible investment, corporate sustainability strategy and carbon management. Before joining KPMG, he was the Secretary General of the Business Council for Sustainable Development in Taiwan (BCSD-Taiwan) for 16 years. BCSD-Taiwan is affiliated to the World Business Council for Sustainable Development (WBCSD) since December of 1995.

Currently, he is also a part time associate professor at several universities in Taiwan, including the most leading advanced MBA and Executive MBA at National Cheng Chi University and The Institute of Technology Management at National Tsing Hua University (NTHU). Niven will be the Guest Professor of Sustainable Finance at The School of Banking and Finance (SBF) at National Sun Yat-sen University since 2025. He sits in the jury panels of several public and private Awards of CSR, Excellence in Environment, and Sustainability in Taiwan and Asia, including Asia Responsible Enterprise Awards (Malaysia) and ESGBusiness Awards (Singapore).

KPMG Taiwan published a book on Circular Economy in June 2020, which is entitled “Taking a Lead in Circular Economy from a New Perspective” and edited by Dr. Niven Huang. Niven is leading a team in Asia Pacific to deliver advisory services to businesses on circular economy (CE), including CE strategy roadmap, CE transition indicator, internal engagement for CE innovation, True Value Analysis and CE training workshop, etc.
