Hans Kröder, Director, International Sustainability Expert, The Netherlands

Hans Kröder is International Sustainability Expert and since 2005 specialised in ISO sustainability standards. He is also expert in European Union law & regulations on Corporate Sustainable Reporting Directive (CSRD).

Since January 2019 he is involved in the ISO/TC 323 Circular Economy committee, that is developing global circular economy standards.

Before that, he was directly involved in the development of two international standards for Social Responsibility (ISO 26000) and Sustainable Procurement (ISO 20400). Both are holistic and practical frameworks for implementing the UN Agenda 2030 on the Sustainable Development Goals (SDGs). Think global and act local.
